Re: Request for confidentiality regarding application for certification of FCC ID: WH4ZEO101

To Whom it May Concern:

Pursuant to Sections 0.457 and .459 of the Commission's rules (47 CRF §§ 0.457, 0.459), Axon Labs Inc. hereby requests confidential treatment for documents filed with the Commission in connection with the application for certification referenced above as follows.

Permanent Confidentiality

We hereby request the exhibits listed below to be held confidential

Schematics
Block Diagram
Bill of Material

These exhibits contain trade secrets and proprietary information not customarily released to the public. This information has been disclosed to those required to maintain its confidentiality, and is not customarily disclosed to the public even after commercial release of a device. As a result, disclosure of this information by the Commission would harm Axon Inc by giving competitors an unfair market advantage even after commercial release of the device.

Sincerely yours,

Dave Girard
Director of Manufacturing
